THOMPSON ACADEMY

Boston, Massachusetts

1969

CALVIN PAGE BARTLETT Chairman of the Corporation

Calvin Page Bartlett, outstanding lawyer with the firm of Hill & Barlow in Boston, became a Trustee of the Academy in 1944. From 1951 to 1968 he served as President of the Board and recently has moved to the position of Chairman of the Corporation following the election of Mr. Williams as President.

During Mr. Bartlett's long tenure as President he asserted the leadership which brought about a great many changes in the physical plant and academic life of the school: the addition of the Alumni Gymnasium, the new Dormitory, and the new Faculty House; the remodeling and renovation of the Main Building, the Kitchen-Dining Room area, and the Science Laboratories; and the conversion of the old Gymnasium to the present Chapel.

The Students, Faculty and Staff of the Academy wish to express their sincere appreciation and gratitude to Mr. Bartlett for his many years of enthusiastic and devoted support in helping to bring about these important advances.

BEN AMES WILLIAMS, JR. President of the Board of Trustees

At the 134th annual meeting of the Board of Trustees of Thompson Academy, Mr. Ben Ames Williams, Jr. was elected President. Mr. Williams succeeds Mr. Calvin Page Bartlett who was elected Chairman of the Corporation after 24 years of dedicated service to the school.

Mr. Williams was recently elected President of the Old Colony Trust Company, an allied institution of the First National Bank of Boston. He has been associated with the "First" since 1941.

Our new President has been a Trustee of Thompson Academy for eight years and for the past three he has served as Vice President.

All of us on the island wish Mr. Williams well and hope that he will find his new position as President of the Board a rewarding experience.

Dedication

Mr. George Wright has given a part of himself to each and every one of us.

We shall be forever grateful for his invaluable assistance in filling out our college applications, sending out transcripts, and writing recommendations. In addition, we shall never forget his inspiring and enthusiastic teaching.

For his loyalty and support, we, the Class of 1969, dedicate this yearbook to:

MR. GEORGE WRIGHT

Appreciation

We, the Class of 1969, shall be forever indebted to Mr. Pinto, without whose help this yearbook would not have been successfully completed. For his devotion to his students, for his understanding of our problems, and for his kindness to all, we take this opportunity to express our appreciation to:

MR. JOHN DECIUS PINTO

In Memoriam

Robert Francis Kennedy 1925 - 1968

Martin Luther King 1929 - 1968

Dwight David Eisenhower 1890 - 1969

This page of our yearbook is dedicated to the memory of three great Americans. All three, Dr. Martin Luther King, Dwight D. Eisenhower, and Robert F. Kennedy, had a dream, and, as all of us know, each man dedicated his life to the fulfillment of his dream.

Dr. King dreamed of an America where black men were free from social prejudices and hatreds. He was a man who dreamed of an America where his brothers and sisters could not be denied an education because their skins were black. Martin Luther King's dream was all of this and more, and he died trying to make his dream a reality.

General Eisenhower, although he was a military man, dreamed of peace—a lasting peace among nations and among people. He carried this dream to the people of the world, first as Allied Supreme Commander during the Second World War, and then as President of the United States. During his eight years in office, President Eisenhower never ceased pursuing his dream.

Robert F. Kennedy dreamed of a world of peace and progress for all people but particularly he was an inspiration to the youth of America. Because he represented the ideals of the younger generation, we all saw in him hope for a national leader that could understand our thoughts and resolve our problems.

Each of these men, as different as they might have been, represented an idea that could only better mankind. The passing of each means that we have lost a crusader for our own betterment.

In Tribute

ROBERT R. KITCHING

On November 12, 1968, Mr. Robert R. Kitching completed 40 years of service to Thompson Academy. Mr. Kitching came to the school in 1928 to be head of the poultry department. For years, Mr. Kitching was responsible for raising all the chickens and eggs consumed at the school.

Semi-retired since 1963 when the school stopped farming, Mr. Kitching still lives in the Main Building and can be seen every morning doing his chores about the school.

All of us here at Thompson would like to take this opportunity to salute Mr. Kitching for his outstanding dedication to the school. We hope that he will continue his service to Thompson and that we will be able to salute him on future milestones.

Administration and Faculty

MR. FRANK D. DIBBLE Headmaster

Mr. Dibble is completing his second year as Headmaster here at Thompson Academy, but it seems as though he has been here much longer. This is suggested by the great changes that have taken place in the last two years in the academic curriculum and in the athletic program. A better preparation for college is offered now, and, as a result, a greater number of Thompson students are matriculating at institutions of higher learning.

The enlarged athletic program has enabled more boys with varied interests and abilities to participate in competitive sports, including the new soccer team, as well as the additions last year of cross country, hockey, and lacrosse.

These innovations have greatly improved Thompson Academy and have made it a school where boys can obtain a well-rounded preparation for whatever task they may seek to undertake in the future. We, his students, would like to thank him for what he has done for us and wish him well in his future efforts to make Thompson Academy an outstanding institution.

MRS. RITA DIBBLE

Mrs. Frank Dibble is the woman behind Thompson Academy's headmaster. Her energy and enthusiasm have been noticed and felt by all on the island.

Mrs. Dibble spent her childhood in Holyoke, Massachusetts. After attending local schools, she went on to the Springfield Museum and Library. There she learned the functions of a library. This experience proved invaluable in the improvement and restructuring of the Thompson Academy Library.

Mrs. Dibble also displayed her considerable cooking talent, in a time of crisis, by cooking for the whole school for two weeks.

We, the Class of 1969, wish to take this opportunity to express to her our warmest appreciation for her contribution to the school.

Thompson Academy opened its season against a much larger Milford Academy team. Milford proved to be too great an adversary for Thompson as the team went down to a sound defeat. The Homecoming game had a more pleasant outcome as Thompson showed the crowd their real worth, defeating Cardinal Cushing 25-0. The next game was against the Harvard Freshmen. Harvard always presents a problem, and this year was no exception. Harvard beat Thompson 14-0 in a game that was hard fought all the way. Berwick was another hard fought game but once again a larger team proved to be the deciding factor as Thompson lost its third game. The team returned to the island to play Holderness. Although the team started off slowly, they picked up momentum and took the game by a score of 29-14. The last game of the season was Thompson's finest. Going up against previously unbeaten Winchendon, Thompson brought home a 19-8 victory.

Soccer made its debut at Thompson Academy this year with Mr. Don Merry as coach. The team had plenty of spirit. Frank Warren made history at Thompson by scoring the first goal in a losing effort to Thayer. Thompson went scoreless for the next two games until Co-Captain "Doc" Adams put one in against Providence Country Day. Still Thompson was without a win until the Christian High game. In this game the score remained tied at 0-0 until the second overtime. Then Tom Bergeron put in the winning goal for Thompson. This was recorded not only as Thompson's first win, but also as Thompson's first shutout. The rest of the season brought no more joy to this first soccer team, but a new sport has won itself a place at Thompson Academy.

CROSS COUNTRY

Johnson, McLaughlin, Carter, Broadard, D. Walsh, DelValle, Griffiths, Mr. Willis.

Cross Country became a serious sport this year, and, under the guidance of Mr. Willis, the team participated in five dual meets as well as the New England Prep School Tournament. The season opened with a win against St. Andrews in a close meet, 29-27. In their second outing, Thompson again came home victorious beating Belmont Hill by score of 32-28. Thompson then lost their three remaining meets in close contests to teams from Thayer and Milton and a fired up St. Andrews team.

We are looking forward to having Cross Country back next year, and hope that Mr. Willis' dedicated group will again represent Thompson in still another field of athletics.

This fall the J.V. Football team under the coaching of Mr. Thomas and Mr. Horan developed some fine players who will help to continue Thompson's tradition of outstanding football. Tom Cassano and Greg King were co-captains of a team that finished the season with a 3-1 record. After six weeks of practice, the J.V.'s met Milton Academy and defeated them 20-6. The next game was against Thayer Academy and resulted in the only loss for the J.V.'s. The next two games were convincing victories for the team as they rolled over Belmont Hill 14-8 and Governor Dummer 30-14.

The time and effort that these boys put in on the practice field showed up in the games as their execution of plays and effective defense won them the respect of all the teams that they faced. Next year many of these boys will move up to the Varsity where the experience that they gained playing J.V. Football will help them to bolster the team.

First Row: J. Thomas, Mendez, Hodge, P. Coates. Second Row: Mr. Tura, P. Jackson, Miranda, D. Dibble, Bergeron. Third Row: Mr. Dibble, McAndrew, S. Clark, McLaughlin, Swindells.

The Varsity Basketball team had a very successful season this year winning eleven games and losing only two. Lead by the co-captains Jose Mendez and Cyril Hodge, the two high scorers, this team showed everyone that Thompson is a basketball power.

Under the fine coaching skill of our Headmaster, Mr. Dibble, the team developed an exciting style of play that proved to be effective against all but two of the defensive efforts of the opposing teams.

The starting five was comprised of four seniors, the aforementioned Mendez and Hodge, plus John Miranda and Pete McAndrew, and sophomore Dave Dibble. These players, along with strong substitutes such as Jim Thomas and Sandy McLaughlin provided some of the most exciting, highest scoring basketball for T. A. in recent years.

We are all looking forward to next year when members of this year's J.V. team join the Varsity for another fine season.

VARSITY HOCKEY

The Hockey team in its second year had a much improved record over last year's team. The final statistics gave the team a 4-3 season. In the beginning it appeared as though the team might go all the way as they took their first three games, but then stiff competition came from three of the last four opponents and Thompson was not equal to those more experienced teams.

This year's team boasted some fine hockey players in Wayne Jackson, Billy Rafuse and Paul Ross. Jackson and Rafuse were captains this year and unfortunately will be lost to graduation, but Ross is an underclassman and will be back to play for Thompson next year. Also high among the scorers on this year's team was Billy Gannon who had three goals and two assists for a total of five points putting him fourth behind Rafuse with sixteen, Jackson with eleven and Ross with seven.

Thanks to the coaching of Mr. Rose, Thompson can now claim an established hockey team with a bright future.

JUNIOR VARSITY BASKETBALL

First Row: N. Coates, Lynch, DelValle, Longo, Carter. Second Row: Bass, Paulsen, Hulak, Ridge. Third Row: Hickory, Abraham, C. Thomas, Ledwell, D. Cahoon, Hiller.

This year's J.V. Basketball team had an undefeated season as they compiled a record of 12-0. The J.V.'s had everything a good team needs. They had a powerful scoring punch from John Ridge and Bill Paulsen. Also, there was an aggressive defense led by captain Sammy Bass. Under the boards, Chucky Thomas and Doug Cahoon proved capable of holding off any threat from the opponents. Playmakers Tommy Hulak and Jerry Lynch set up and executed fine plays. In every way this was a well-drilled, well-balanced team.

In the closest game of the season, the J.V.'s came from behind in the last seconds to beat Assumption by one point. This was accomplished after losing two of the starters by fouls in the third period. In another close game the J.V.'s were tied 26-26 with P.C.D. at half time. Then a skillfully executed full court press broke the game open as they went ahead and won by ten points.

Much of the credit for this team goes to the excellent coaching of Mr. Horan who worked hard and saw his labors rewarded with a well-deserved undefeated season.

VARSITY BASEBALL

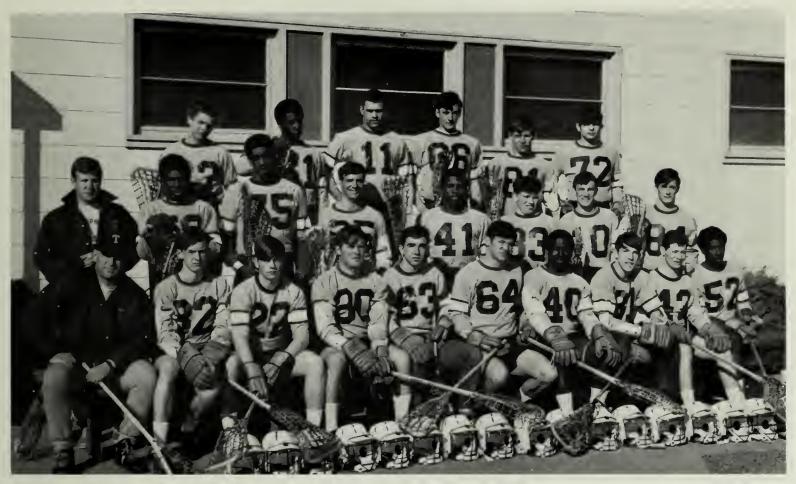

Front Row: Bass, Ridge, D. Cahoon, Kinsley, Berard. Center: Mr. Thomas, Mendez, Miranda, Tradd, J. Thomas. Last Row: Paulsen, F. Love, Robertson, O'Neil, Papp.

Mr. Thomas has taken on the added responsibility of coaching the Varsity Baseball team this year and the outlook for the coming season is good. Returning lettermen Jose Mendez, John Miranda, Walter Berard and Bill Robertson promise to add experience to this year's varsity squad. In addition, new players such as Bob Tradd and Doug Papp should prove to be welcome additions to the team. As the winter snows melt and the teams take to a sometimes muddy field, you will always find Mr. Thomas and his assistant, Mr. Willis, out there with the boys trying to beat the clock and the weather to get in a good practice in anticipation of the first game.

The one consoling factor is that the competition, too, is faced with the same problems. This year the competition should be stiff. The season opener against rival Christian High should be a real test of the capabilities of this year's team. We shall all be following the team through their twelve game schedule.

VARSITY LACROSSE

Front Row: Mr. Farr, Ledwell, Cassano, Dan Walsh, Bergeron, Boskovich, Shavers, D. Dibble, Durgin, A. Lee. Center: Mr. Merry, G. Lee, C. Thomas, M. Sullivan, Sims, Hanley, Gorham, Hawley. Back Row: Den Walsh, Abraham, Heath, Jones, Rafuse, Albertsen.

This year the Lacrosse team will be in its second year and we can look forward to another exciting season from this club. Sharing the coaching responsibilities with Mr. Farr will be his assistant Mr. Merry. Both these men were outstanding Lacrosse players in college and remain dedicated to the sport now. The boys on the Lacrosse team are learning a great deal from these two fine coaches.

After a winning season last year, the Lacrosse team is out to better their previous record. With eleven returning lettermen from last year the team should have the experience that it lacked. Stick handling and scooping will be stronger this year and this should add to the chances for a good season.

The season opener this year will be against the Tabor J.V.'s. In a way it will be a homecoming, for Mr. Merry began his Lacrosse playing at that school. Last year the Lacrosse team tied Tabor in an exciting game that was hard fought by both teams.

This year's twelve game schedule features four home games which were not possible last year for lack of a suitable field. Thanks to the efforts of the grounds crew, a suitable field has been cultivated allowing for these home games.

JUNIOR VARSITY BASEBALL

Front Row: Broadard, Colon, J. Healy, Lopata, Bogus, Longo. Center: Swindells, Ross, Hulak, Lynch, Zaniboni, Bishop, N. Coates. Back Row: Langlois, C. Clark, Graham, Goulding, P. Love, Garland.

This year's J.V. Baseball team under the able coaching of Mr. Horan should prove to be a fast and exciting little team. The J.V. teams of the past have managed to compile an impressive record for Coach Horan and this year should be no exception.

With new players such as Tony Longo and Brian Zaniboni, this year's squad should be among the school's finest. Returning from last year are boys like Tommy Hulak, a stiff competitor, and Norman Coates, an aggressive player in any sport.

Mr. Horan will have until May 2nd before his opening game and this should give him the time to mold his boys into a smooth playing unit.

WEIGHT-LIFTING

Mendez, Rogers, Wonson, Mr. Tura, Gannon, Muniz, Krall.

This year, with the addition of Mr. Tura to the faculty, great interest has developed in the fine art of weight-lifting. Each day a small, dedicated group of lifters descend into the depths of the dining hall building to punish their muscles. Bench pressing and curling are the two biggest activities of the weight-lifters, although others have branched out into other forms of exercises involving weights.

Under Mr. Tura's guiding hand, the boys have developed a sensible program of lifting and slowly building themselves up. This planning is important to weight-lifting, and without the time and effort that Mr. Tura has devoted to weight-lifting, the fine program that we now have would not have been possible.

When I was a boy . . .

I 8

I think I'm gonna be sick!

111

No, Mr. Tura, we don't know what happened to Mr. Merry.

Brief Glances

Now I'll just sit down and watch them die!

Nancy, he gave another one to his brother-in-law.

It's almost as good as having a baby!

Brief

I'll bet anyone my kid can eat 50 pieces of cake at one sitting.

222 68 80 32

Get off my back!

May I have the next dance?

Homework paper? It's here somewhere.

I just love to study!

I love it, I love it, I love it.

Flances

All is quiet on the Eastern Front.

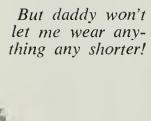

Sad movies always make me cry.

Peace for all.

Ban? Ban? What's Ban?

The uniform will do it every time.

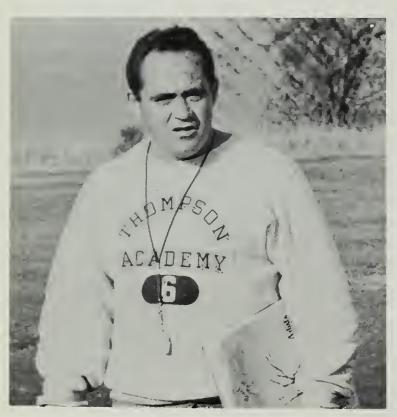

Brief

...and after escaping Nazi Germany, I...

The kid takes a break.

I don't care how many sisters you have. You can't wear nylons to practice.

Vehlly interesting!

Who said they only make locks at Yale?

Hi, Fella.

Flances

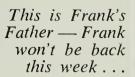

I know I'm not very good, but you didn't have to ruin my smile.

Two bucks on Irish Rose in the fifth!

So you say your girlfriend's away at school?

"Oil heat is the best . . . Take it from a pro!"

A typical two boy room.
